VIOLENT FEMME!

Ages ago, in The Three Kingdoms era, heroes tried to unite China...and failed. After their defeat, the heroes' spirits came to rest in jewels known as Magatama. Those who possess them fight to become Ikki Tosen: One Warrior with the Power of One Thousand!

Hakufu Somsaku is a busty, beautiful girl with an irresistible lust—for battle! At her mother's request, Hakufu resists her burning desire to beat people up...until a chance encounter with another Toshi at school leads to an all out brawl. Will their first meeting be Hakufu's first beating?

*Thank you very much for picking up this book.
With all of the warm support I've received, I was able
to release this first volume without any problems.*

*But, for those of you who are saying "I've never
read anything about the Sangoku-Shi, SHI-O-ZA-KI!!"
or "To use such a minor place like Go as the setting
for this is not enough for a Sangoku-Shi fan like
me, SHI-O-ZA-KI!!", I apologize. I plan to introduce
more major Toushi...and make things easier to
understand from here on.*

*In any case, I plan to devote myself even more from
now on, and I appreciate any and all kind wishes.*
